

Basic Detail Report

00040015

Title
1998 World Championships towel used by Petria Thomas

Date
1998

Primary Maker
Simba Textiles

Medium
Cotton

Dimensions
Overall: 1880 x 680 mm, 0.44 kg

Name
Towel

History
Towels are generally woven with a loop or pile that is soft and absorbent, and are used to wick the water away from the body. Special looms called dobby looms are used to make this cotton pile.
