

Basic Detail Report

00007246

Title

Mobil Oil Pty Ltd plate

Date

1974-1979

Primary Maker

Mobil Oil Australia

Medium

Ceramic

Dimensions

Overall: 20 x 230 x 230 mm

Name

Plate

History

Mobil Oil Australia Limited was formed from the Vacuum Oil Company, who began selling lubricating oils in Australia in 1895. Mobil constructed its first refinery in

Melbourne in 1946 and opened a second one in Adelaide in 1963, distributing lubricating oils, bitumen and motor vehicle fuels. Mobil Oil Australia Limited established its own shipping line in the 1960s to transport its oils, petrols and distillates.
