

Basic Detail Report

ANMS1377[007]

Title

Postcard featuring a photograph of a skiff sailing on the water, with a crescent moon symbol on the raised sail

Date

1919-1939

Medium

Cardboard

Dimensions

Overall: 88 x 138 mm

Name

Photograph

History

18ft. skiff racing was an entertaining sport for spectators. Its origins are attributed to Mark Foy and a group of businessmen who founded the Sydney Flying Yacht Squadron, reportedly established on 19 October 1891. BRITANNIA and its skipper Georgie Robinson were prominent figures in 18ft. skiff racing between the two world wars.
