

# Basic Detail Report

---

**00054050**

**Title**

Hut Point, Antarctica

**Date**

1959-1960

**Primary Maker**

Leslie Bowden Quartermain

**Medium**

Cellulose acetate slide, colour

**Dimensions**

Overall: 35 x 35 mm

**Name**

Slide

**History**

Leslie Bowden Quartermain, Antarctic Division, Department of Scientific and Industrial Research, published 'Two Huts in the Antarctic' in 1963 about the history and preservation of huts at Cape Royds (built by Shackleton) and Cape Evans (built by Scott) on Ross Island in the Ross Sea area.
