

Basic Detail Report

UE001470

Title

Miscellaneous bits from 18 inch model skiff ROSE

Date

late 1920s

Medium

Cedar, beech, cotton

Name

Fittings

History

This 18 inch model ROSE was built by an unknown member of the model skiff club at North Sydney who raced it in on Berry's Bay in the late 1920s before offering it as a prize in the Club's raffle. Keen spectator and punter Lesley Stone won it and presented it to his sick nephew Roy aged 4 in 1930.
